

Parliamentary Bureau – Changes to Portfolio Question time title

Introduction

1. Following the Parliament’s approval of ministerial appointments and the Government’s publication of the new [Cabinet Secretary and Ministerial portfolios](#) in May, the Bureau agreed to revise the titles of the nine Portfolio Question time sessions.
2. At that time, the “NHS Recovery” element of the NHS Recovery, Health and Social Care Portfolio was retained in the cycle of Question times although the Cabinet Secretary’s Portfolio was renamed “Health and Social Care”.

Recommendation

3. In order to fully align Portfolio Question time session titles with the Cabinet Secretary’s current Portfolio title, Business Managers are invited to agree that the Portfolio Question time “NHS Recovery, Health and Social Care” be renamed “Health and Social Care”.
