Dear Convener

### **SCOTTISH LAW COMMISSION BILLS**

Thank you for your letter dated 29 May seeking an update on work being undertaken on considering two Scottish Law Commission Reports: on Aspects of Leases: Termination; and on Review of Contract Law.

My officials are currently considering these two reports and the preliminary view is that both would be suitable for consideration by the Delegated Powers and Law Reform Committee, although that might change as the work continues. Any Bills that might arise from these considerations will be a matter for Cabinet and will be announced as part of the relevant annual Programme for Government.

I hope this information is of assistance.

I have sent a copy of this letter to Lady Paton, Chair of the Scottish Law Commission.

Yours sincerely
