<sup>1</sup> RSIPs (or equivalent) are co-designed with regional partners. The timelines for their development and implementation are dependent on partner agreement and collaboration e.g.. In the central region there is a Stirling and Clackmannanshire Regional Economic Advisory Board (SCREAB) currently being formed. The SCREAB will be established in the context of the emerging Forth Valley Regional Economic Partnership and will support and develop a Regional Skills Strategy that will assist with inclusive growth within the region and deliver strategic outcomes across the deals in the region.
