Dear Minister,

European Disability Card and the European Parking Card

At its meeting on 20 February, the Constitution, Europe, External Affairs and Culture Committee considered their fourth EU Law Tracker. This highlighted Directive (EU) 2024/2841, establishing the European Disability Card and the European Parking Card for persons with disabilities. It would be helpful to the Committee if we could have an update on plans to consider alignment in future in respect to this Directive.

I look forward to hearing from you.

Yours sincerely,

Karen Adam MSP
Convener
