Dear Jenny

### **School Premises (General Requirements and Standards) (Scotland) Regulations 1967 (as amended)**

The Committee understands that the Scottish Government plans to re-consult on the above Regulations.

We would be very grateful if you could let us know about your plans for this consultation including your timescales for doing so and how you intend to consult.

We would also welcome any specific information you can provide on how this review will consider the general requirements and standards insofar as the provision of toilet facilities in secondary schools are concerned.

I would be grateful of a response by 27 February.

Yours sincerely

**Karen Adam MSP**  
Convener
