Dear Pete,

Resignations at Cricket Scotland

Further to your organisation's recent attendance to give evidence, the Health, Social Care and Sport Committee has been concerned to see recent reports of multiple resignations from Cricket Scotland's equality and anti-racism working group and more recently the resignation of the Chair of Cricket Scotland.

The Committee continues to take an active interest in scrutinising Cricket Scotland's progress in implementing the recommendations of the Independent Review into racism in Scottish Cricket after it concluded that "the processes, attitudes, and behaviours of Cricket Scotland meet the MacPherson definition of institutional racism".

The Committee would be grateful if you could provide an update on what progress has been made, specifically in relation to improving your approach to equality, diversion and inclusion, and how you plan to meet the EDI recommendations following the recently reported resignations.

The Committee would also welcome an update on Cricket Scotland's process and timetable for recruiting a new Chair and a new permanent Chief Executive.

The Committee would welcome a response by 25 May 2023.

I look forward to hearing from you.

Yours sincerely,

Clare Haughey MSP
Convener, Health, Social Care and Sport Committee
