Dear Paul,

### **Resignations at Cricket Scotland**

The Health, Social Care and Sport Committee has been concerned to see recent reports of multiple resignations from Cricket Scotland's equality and anti-racism working group, and more recently the resignation of the Chair of Cricket Scotland.

The Committee continues to take an active interest in scrutinising Cricket Scotland's progress in implementing the recommendations of the Independent Review into racism in Scottish Cricket after it concluded that "the processes, attitudes, and behaviours of Cricket Scotland meet the MacPherson definition of institutional racism". The Committee would welcome a written update from Running Out Racism on where progress has and has not been made in addressing the recommendations of the Independent Review and those areas where your assessment of the level of progress so far made differs from that of Cricket Scotland.

The Committee would also welcome your views on how the working group can continue to work with Cricket Scotland to make improvements, including what steps need be taken by Cricket Scotland to make this possible.

The Committee would welcome a response by 25 May 2023.

I look forward to hearing from you.

Yours sincerely,

Clare Haughey MSP  
Convener, Health, Social Care and Sport Committee
