Dear Ms Mcnicol,

**CONSIDERATION OF PETITION: [PE1872: Improve the reliability of island ferry services](#)**

The Net Zero, Energy and Transport Committee considered your petition on 28 June 2022.

At that meeting, the Committee agreed to close your petition under Rule 15.7 of Standing Orders on the basis that started a ferries inquiry that will cover the issues raised in your petition. You can view the call for views [here](#).

The Official Report for the meeting is available [here](#). A recording of the meeting is available to view [online](#).

The Committee would welcome feedback on your experience of the petitions process. I attach a feedback form and would be grateful if this could be returned to the Citizen Participation and Public Petitions Committee at [Petitions.committee@parliament.scot](mailto:Petitions.committee@parliament.scot).

On behalf of the Committee, I would like to thank you for petitioning the Scottish Parliament.

Yours sincerely,

Dean Lockhart MSP
