29 February 2023

Dear Màiri,

**The Biocidal Products (Health and Safety) (Amendment and Transitional Provision etc.) Regulations 2024**

At its meeting on 27 February, the Net Zero, Energy and Transport Committee considered the Scottish Government's consent notification for the following UK statutory instrument–

The Biocidal Products (Health and Safety) (Amendment and Transitional Provision etc.) Regulations 2024

Further to our scrutiny of this notification, the Committee agreed that it is content for the Scottish Government to give consent to UK Ministers making regulations on its behalf in relation to this SI.

However, the Committee requests further information on how the Scottish Government will be monitoring the impact of this instrument and to be kept informed of any feedback from stakeholders.

Yours sincerely,

Edward Mountain MSP  
Convener  
**Net Zero, Energy and Transport Committee**
