Dear Mairi,

UK subordinate legislation

At its meeting on 6 December 2023, the Rural Affairs and Islands Committee considered the consent notification for the following UK SI—

- The Sea Fisheries (International Commission for the Conservation of Atlantic Tunas) (Amendment) Regulations 202[3]

The Committee agreed with the Scottish Government's decision to consent to the provisions in the notifications being included in UK, rather than Scottish, subordinate legislation.

Yours sincerely,

Finlay Carson MSP
Convener, Rural Affairs and Islands Committee
