Jim Fairlie
Minister for Agriculture and Connectivity
Scottish Government

17 December 2024

Dear Minister,

UK subordinate legislation

The Committee considered the Scottish Government's consent notification for the following UK statutory instrument (SI):

- The Official Controls (Plant Health) and Phytosanitary Conditions (Amendment) Regulations 2025 – “Defra PH/052/R”

The Committee agreed it was content for these provisions relating to devolved competence to be included in a UK SI.

Yours sincerely,

Finlay Carson MSP
Convener
