Dear Lorna,

UK subordinate legislation

At its meeting on 28 February 2024, the Rural Affairs and Islands Committee considered the consent notification for the following UK SI—

- Plant Health (Fees) (England) and Official Controls (Frequency of Checks) (Amendment) Regulations 2024

The Committee agreed with the Scottish Government's decision to consent to the provisions in the notification being included in UK subordinate legislation.

Yours sincerely,

Finlay Carson MSP
