Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Other new and altered motions and amendments

***[S6M-15987 Mercedes Villalba: Commending the Bravery of Gisèle Pelicot](#)**—That the Parliament recognises the bravery of Gisèle Pelicot for waiving her right to anonymity so that the trial of the men who raped her could take place in public and so that, in her words, “shame changes sides”; commends her heroism in speaking openly about what it understands to be a heavily stigmatised issue, intimate partner sexual violence; understands that this is an issue affecting women and men across the world, including the North East Scotland region; further understands that global estimates published by the World Health Organization in 2021 indicate that about one in three, 30%, of women worldwide have experienced either physical and/or sexual intimate partner violence or non-partner sexual violence in their lifetime; believes that research from Waverley Care suggests that one in three men who have sex with men will experience intimate partner violence in their lives; recognises that many survivors of intimate partner sexual violence do not want to report to the police; highlights the help and support available through other organisations, such as Scotland’s Domestic Abuse and Forced Marriage Helpline, Scottish Women’s Aid, Rape Crisis Scotland, Action Against Stalking, Revenge Porn Helpline, Fear Free Scotland, LGBT+ Helpline Scotland and LGBT Domestic Abuse Scotland, and urges anyone affected by intimate partner sexual violence to seek help because, in the words of Gisèle Pelicot “It’s not for us to have shame, it’s for them”.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
