the railway line; further notes that the Scottish Government invested over £116 million to deliver this new, six-mile, double-tracked line, with two new stations at Cameron Bridge and Leven, active travel routes, a park-and-ride facility, and plans for the electrification of the service; believes that the opening of two new stations on the railway link will progress the Scottish Government's ambition to transition more people from private car use onto public transport, and consequently lead to a positive reduction in greenhouse gas emissions from Scotland's transport sector; thanks the local communities and Levenmouth Rail Link project for all their hard work over the years, and wishes all those campaigning for connection to the railway network all the best of luck.

1960s, that she notably hand-delivered a petition, signed by 11,768 people, to Prime Minister Harold Wilson at 10 Downing Street on 18 December 1968, and subsequently continued to campaign for its reopening in the decades that followed its closure, which eventually saw a locomotive named in her honour when the line partially reopened as the Borders Railway in 2015; understands that Madge did not restrict her community campaigning to the railways, and recently successfully campaigned for the reopening of Teviot Day Service; believes that Madge, who was herself a force of nature, represented the very best of communities working together to improve their areas, and sends its deepest sympathies to her loved ones on their loss.

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
