Prisoners (Early Release) (Scotland) Bill

Members should be aware of the arrangements for lodging amendments to the Prisoners (Early Release) (Scotland) Bill.

Under Rule 9.21.7, the Presiding Officer has determined that, if the Parliament agrees to the general principles of the Bill at Stage 1, amendments at Stage 2 should be formally lodged by 4:30pm on Friday 22 November. While amendments cannot be formally lodged until the completion of Stage 1, members are strongly encouraged to give advance notice of any proposed amendments as early as possible. [S6M-15065](#) Roz McCall: Increasing Stroke Awareness—That the Parliament notes reports that nearly 11,000 people in Scotland have a stroke every year, including in the Mid Scotland and Fife region; further notes the belief that raising public awareness of stroke signs and the need for immediate action is essential to improving health outcomes for stroke survivors; understands that the FAST (Face, Arms, Speech, Time) stroke awareness campaign undertaken by Chest Heart and Stroke Scotland, which launched on World Stroke Day on 29 October 2024, is aimed at increasing awareness among the public of the need for urgent medical attention for stroke; further understands the importance of repetition in any public health campaign; regrets that there has been no sustained government-backed campaign in Scotland, it understands, since before the COVID-19 pandemic; notes the calls from campaign groups to review public health messaging surrounding awareness of stroke symptoms, including the work of the BE-FAST (Balance, Eyes, Face, Arms, Speech, Time) campaign, which some academic research suggests detects 95.6% of strokes and is the acronym currently favoured by Harvard Medical School and Yale School of Medicine; notes the calls on the Scottish Government to work with Public Health Scotland and NHS boards to trial BE-FAST, in order to assess its effectiveness using data, which, it considers, would allow for informed decisions to be taken regarding the efficacy of current public health messaging, and further notes the hope that all stroke awareness campaigns can continue to increase awareness of the need for urgent medical attention should a patient present with any symptoms associated with stroke.

Members' Bills Proposals

Proposals for Member's Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
