## Motions for Debate

**\*[S6M-15613](#) Jackie Baillie: Addressing the Crisis in Social Care Now**—That the Parliament notes that the Scottish Government formally committed to introduce a National Care Service (Scotland) Bill in September 2021; further notes that the Scottish Government’s proposed amendment to part one of the Bill setting out the establishment of a National Care Service board has been roundly rejected by stakeholders; understands that the cost to date is £30 million, without a single penny being spent directly on care; urges the Scottish Ministers to accept that the Bill now has no realistic prospect of success in its current form; calls on the Scottish Government to take immediate steps to alleviate the crisis in social care, including delivering sufficient support for health and social care partnerships, and further calls on the Scottish Government to set out a timetable, before the Parliament’s Christmas recess, for progressing reforms, including a right to respite care, Anne’s Law, ethical commissioning, collective bargaining and the establishment of a National Social Work Agency.

**\*[S6M-15612](#) Claire Baker: Tackling Abuse of Bus Drivers**—That the Parliament is deeply grieved by the death of Keith Rollinson following an assault at his place of work; agrees that workplace abuse is not acceptable and notes the serious concerns raised about levels of abuse in the recent mass survey of bus drivers in Scotland, carried out by Unite the Union; supports the union's campaign to improve driver safety, including its call for a public transport safety summit involving key stakeholders; calls on the Scottish Government and Transport Scotland to take swift action to address antisocial behaviour and violence towards bus drivers, including exploring the potential for legislative measures to protect transport workers against assault, threats and abuse; notes the increase in the rate of incidents following the extension of the bus travel scheme; supports fully the provision of free bus travel for young people and children aged under 22 and notes the multiple benefits that it brings, but acknowledges that this comes with responsibilities, and calls on the Scottish Government to remove access to concessionary bus passes from individuals who repeatedly carry out antisocial behaviour.

**\*[S6M-15605](#) Paul McLennan: Housing (Scotland) Bill**—That the Parliament agrees to the general principles of the Housing (Scotland) Bill.

## Members' Bills Proposals

### Proposals for Member's Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

[Proposals for Bills – Scottish Parliament | Scottish Parliament Website](#)

### Final Proposal for a Member's Bill

**Monica Lennon: Proposed Ecocide Prevention (Scotland) Bill**—Proposal for a Bill to protect the environment in Scotland and deter environmental damage by introducing the crime of ecocide into Scots law. (lodged 12 November 2024)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

## Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
