## Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

### Motions and amendments can be published with symbols:

- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Other new and altered motions and amendments

**\*[S6M-17199](#) Annie Wells: Princess Royal Opens BAE Shipbuilding Academy in Glasgow—** That the Parliament congratulates Her Royal Highness, The Princess Royal, on the official opening of BAE Systems' £12 million Applied Shipbuilding Academy at Scotstoun, Glasgow; acknowledges what it sees as the academy's pivotal role in modernising BAE Systems' Clyde operations and in preparing thousands of skilled workers for careers in constructing advanced warships for the Royal Navy; believes that the state-of-the-art facility, which spans 5,500 square metres and has over 30 teaching zones, a science and engineering innovation space, and a high-spec trade hall complete with mock-up ship compartments, is a crucial investment in the future of Scottish shipbuilding; notes what it sees as the impressive achievement of nearly 300 apprentices and graduates since its opening in September 2024, alongside the launch of additional immersive training courses in welding, fabrication, electrical systems, and related disciplines, and considers that this new academy, as part of a wider £300 million investment across Glasgow's shipyards, reinforces Scotland's proud maritime tradition and fortifies national defence capabilities, while supporting international partners.

**\*[S6M-17159](#) Gordon MacDonald: Edinburgh Project Linus—** That the Parliament commends the work of the Edinburgh Project Linus group, based in the Pentland Community Centre, Edinburgh; understands that the project, which is made up of volunteers, provides handmade quilts for children and young people who are ill, disabled or living with trauma; further understands that the quilts are distributed through a number of organisations including Harmeny School, Barnardos, the Edinburgh Clothing Store and the Royal Hospital for Children and Young People in Edinburgh; notes that the project has been providing 500-800 quilts a year for babies to young adults for over 20 years; understands that project volunteers have made a number of custom-made quilts for children receiving palliative care in a special scheme working jointly with a palliative care team, and the families, and thanks all of the volunteers for their commitment to producing the quilts and giving much-needed comfort to vulnerable babies through to young adults.

## Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
