The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

***[S6M-16389](#) Fulton MacGregor: Northern Corridor Community Forum's Evidence-based Report**—That the Parliament acknowledges the publication of the 2024 Northern Corridor Community Forum's publication, *Northern Corridor Community Forum - Evidence Based Report*, which, it believes, offers a comprehensive statistical and literary analysis of the challenges facing the Northern Corridor area in North Lanarkshire, encompassing the communities of Glenboig, Gartcosh, Moodiesburn, Chryston, Steps and Muirhead; commends the report for its detailed findings on critical issues such as housing, economic development, infrastructure, local amenities and community wellbeing; notes the report's identification of what the authors see as the urgent need for modernised and enhanced infrastructure to support these communities; understands that, while the area is open to appropriate new housing developments, there is significant concern about the unprecedented scale of private housing projects, which threaten the long-term sustainability of the communities; notes the report's call for a more constructive and collaborative relationship between the Community Forum and North Lanarkshire Council to rebuild democratic trust and ensure that local decision-making reflects the needs, desires and plans of the people who live and work in the area, and further notes the view that implementing the report's recommendations will prioritise actions to foster inclusive economic growth, improve accountability in local governance and enhance the living and working conditions for residents and workers across the Northern Corridor.

***[S6M-16354](#) Stephen Kerr: Blackness Primary School Faces Closure**—That the Parliament notes the proposal by Falkirk Council officers to close Blackness Primary School; acknowledges what it sees as the potentially significant and detrimental impact such a closure would have on the community; considers that families living in rural and village communities should have the option to send their children to a local primary school; understands with concern that, according to Scottish Government data, 44 rural schools have been closed in Scotland since 2013, and commends the dedicated efforts of the Blackness Primary School Parent Council, and the Blackness community, in campaigning to preserve the school for the benefit of current and future generations.

***[S6M-16367](#) Alexander Stewart: Stirling School of English Awarded The King's Award for Voluntary Service**—That the Parliament congratulates the Stirling School of English on receiving The King's Award for Voluntary Service; understands that the school is a voluntary organisation that aims to provide low-cost English language tuition to all whose first language is not English; notes that, in 2022, volunteer tutors assisted over 140 learners, including more than 70 Ukrainian refugees, in their goal to speak English; further notes that the school's main aim is to deliver English classes that reflect students' needs, but it also has a wider responsibility in providing opportunities for social interaction, education on Scottish culture, and assistance with practical matters relating to life in this country; acknowledges that The King's Award for Voluntary Service is the highest recognition given to volunteer groups across the UK, is equivalent to an MBE and is awarded for life; notes that the award was created in 2002 to celebrate the late Queen Elizabeth II's Golden Jubilee and was continued following the accession of King Charles III, and commends everyone involved, including all the volunteers and students, on their excellent endeavours for the benefit of the community.

***[S6M-16358](#) Collette Stevenson: Celebrating the Success of Caledonia Gladiators Women's Team**—That the Parliament congratulates the Caledonia Gladiators women's team on its historic achievement in becoming the first Scottish women's basketball team to win major silverware; notes that the team triumphed over Oaklands Wolves with a 61-59 victory in the Super League Basketball Trophy Final in Birmingham on 26 January 2025; recognises the significance of this success for Scottish basketball and the team's role in attracting record crowds to its new home in East Kilbride; celebrates the Caledonia Gladiators women's team's achievement in becoming the first Scottish women's basketball team to compete in European competition in over 50 years, and commends the players, coaching staff and all involved with the club on this outstanding accomplishment.

***[S6M-16357](#) James Dornan: Farewell to Fresh 'N' Fruity Mount Florida**—That the Parliament notes that Fresh 'N' Fruity, located in the Mount Florida area of the Glasgow Cathcart constituency, has now closed after three decades as a much-loved fixture of the local community; acknowledges that Sardar and Shahida Ali opened the shop in 1993 and were immediately embraced by the community, which came to appreciate the wide range of excellent quality fair trade fresh fruit, vegetables and organic products that they stocked; wishes them the very best for their well-earned retirement, and hopes that they can spend many years with their children and grandchildren, and recognises that the shop will be taken over by another family-run business, Zucchini Greengrocers, which will soon establish themselves in the community.

***[S6M-16356](#) Sarah Boyack: Scottish Youth Parliament's Work on Transport**—That the Parliament acknowledges the efforts of the Scottish Youth Parliament's Transport, Environment and Rural Affairs Committee to remove barriers to young people accessing public transport; agrees that public transport should be affordable, accessible and reliable for young people across Scotland; notes that particular action should be taken for young people in rural and island communities who currently benefit less from the under-22s free bus travel scheme due to limited bus services and infrastructure in their areas; recognises the benefits that affordable, accessible and reliable public transport have for young people's access to social, educational, youth work and employment opportunities, and supports further action being taken to improve young people's access to public transport.

Members' Bills Proposals

Proposals for Member's Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

(lodged 21 January 2025)

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
