### Decision on Taking Business in Private

**The Convener (Edward Mountain):** Good morning and welcome to the 33rd meeting in 2022 of the Net Zero, Energy and Transport Committee.

Our first agenda item is a decision on taking items 2, 3 and 4 in private. Item 2 is consideration of correspondence regarding the joint budget review as it relates to climate change; item 3 is consideration of a draft report on the legislative consent memorandum on the Levelling-up and Regeneration Bill; and item 4 is consideration of a draft report on the committee's inquiry into the role of local government and its cross-sectoral partners in financing and delivering a net zero Scotland.

Does the committee agree to take those agenda items in private?

**Members** *indicated agreement.*

**The Convener:** That concludes the public part of our meeting. We now go into private session.

This is the final edition of the *Official Report* of this meeting. It is part of the Scottish Parliament *Official Report* archive and has been sent for legal deposit.
