## Scottish Parliament

### Rural Affairs, Islands and Natural Environment Committee

*Wednesday 1 February 2023*

*[The Convener opened the meeting at 11:03]*

#### Subordinate Legislation

##### Official Controls and Import Conditions (Transitional Periods) (Miscellaneous Amendment) (Scotland) Regulations 2022 (SSI 2022/371)

##### Red Rocks and Longay Marine Conservation Order 2022 (SSI 2022/372)

##### Food and Feed (Miscellaneous Amendments) (Scotland) Regulations 2022 (SSI 2022/373)

**The Convener (Finlay Carson):** Good morning, and welcome to the third meeting in 2023 of the Rural Affairs, Islands and Natural Environment Committee. I remind members who are using electronic devices to switch them to silent.

We have received apologies from Ariane Burgess and Mercedes Villalba. Beatrice Wishart and Rachael Hamilton are joining us remotely.

Our first item of business is consideration of three Scottish statutory instruments under the negative parliamentary procedure.

No member has any comments on the instruments.

#### Approved Country Lists (Animals and Animal Products) (Amendment) Regulations 2023

**The Convener:** Our second item of business is consideration of a consent notification relating to a United Kingdom SI.

As no members have any comments on the notification, are members content to agree with the Scottish Government's decision to consent to the provisions that are set out in the notification being set out in UK, rather than Scottish, subordinate legislation?

**Members** *indicated agreement.*

**The Convener:** That concludes our business for today.

*Meeting closed at 11:04.*

This is the final edition of the *Official Report* of this meeting. It is part of the Scottish Parliament *Official Report* archive and has been sent for legal deposit.
