Overview

1. At this meeting, the Committee will take evidence from the Minister for Children, Young People and The Promise and officials on the Regulated Roles (Prohibitions and Requirements) (Scotland) Regulations 2024 [draft] before debating a motion in the name of the Minister inviting the Committee to recommend approval of the instrument.
2. This is a draft Scottish Statutory Instrument (SSI), which requires approval by resolution of the Parliament before it can become law. More information about the instrument is summarised below:

Title of instrument: [The Regulated Roles \(Prohibitions and Requirements\) \(Scotland\) Regulations 2024 \[draft\]](#)

Laid under: [Disclosure \(Scotland\) Act 2020](#)

Laid on: 4 November 2024

Procedure: Affirmative

Lead committee to report by: 13 December 2024

Procedure

3. Under the affirmative procedure, an instrument must be laid in draft and cannot be made (or come into force) unless it is approved by resolution of the Parliament.
4. Once laid, the instrument is referred to:
 - the Delegated Powers and Law Reform (DPLR) Committee, for scrutiny on various technical grounds, and
 - a lead committee, whose remit includes the subject-matter of the instrument, for scrutiny on policy grounds.
5. The lead committee, taking account of any recommendations made by the DPLR Committee (or any other committee), must report within 40 days of the instrument being laid.

6. The normal practice is to have two agenda items when an affirmative instrument is considered by the lead committee:
 - an evidence session with the Minister and officials, followed by
 - a formal debate on a motion, lodged by the Minister, inviting the lead committee to recommend approval of the instrument.
7. Only MSPs may participate in the debate, which may not last for more than 90 minutes. If there is a division on the motion, only committee members may vote. If the motion is agreed to, it is for the Chamber to decide, at a later date, whether to approve the instrument

Delegated Powers and Law Reform Committee consideration

8. The DPLR Committee considered the instrument on Tuesday 19 November and reported on it in its [Subordinate Legislation considered by the Delegated Powers and Law Reform Committee on 19 November 2024](#). The DPLR Committee made no recommendations in relation to the instrument.

Purpose of the instrument

9. These Regulations set out prohibitions and requirements that apply to organisations only. Organisations are prohibited from permitting an individual to carry out a regulated role and must remove the individual from the regulated role in the following circumstances:
 - Where an organisation, for which an individual is carrying out a regulated role, is notified by Scottish Ministers under section 30(2)(a) of the PVG Act that the individual has been barred from carrying out regulated roles with children or adults.
 - Where an individual is carrying out a type of regulated role for an organisation and the individual does not participate in the Protecting Vulnerable Groups Scheme (“the PVG Scheme”) in relation to that type of regulated role.

It is an offence, under sections 35(4) and 45E(3) of the PVG Act for organisations not to comply with these regulations. The penalties for those offences are set out in sections 37 and 45G of the PVG Act.

10. The Policy Note accompanying the instrument is included in the annexe. It includes a summary of consultation undertaken on the instrument, impact assessments carried out, and the anticipated financial effects.

POLICY NOTE

THE REGULATED ROLES (PROHIBITIONS AND REQUIREMENTS) (SCOTLAND) REGULATIONS 2024

SSI 2024/XXX

The above instrument was made in exercise of the powers conferred by sections 35(2), 45E(1), 72(1) and 100(2) of the Protection of Vulnerable Groups (Scotland) Act 2007 (“the PVG Act”) and all other powers enabling them to do so. The instrument is subject to affirmative procedure.

Summary Box

These Regulations set out prohibitions and requirements that apply to organisations only. Organisations are prohibited from permitting an individual to carry out a regulated role and must remove the individual from the regulated role in the following circumstances:

1. Where an organisation, for which an individual is carrying out a regulated role, is notified by Scottish Ministers under section 30(2)(a) of the PVG Act that the individual has been barred from carrying out regulated roles with children or adults.
2. Where an individual is carrying out a type of regulated role for an organisation and the individual does not participate in the Protecting Vulnerable Groups Scheme (“the PVG Scheme”) in relation to that type of regulated role.

It is an offence, under sections 35(4) and 45E(3) of the PVG Act for organisations not to comply with these regulations. The penalties for those offences are set out in sections 37 and 45G of the PVG Act.

Policy Objectives

1. Disclosure Scotland is an executive agency of the Scottish Government that provides criminal record disclosures, maintains the PVG Scheme and keeps lists of individuals barred from working with children and ‘protected’ adults on behalf of Scottish Ministers.
2. The Disclosure (Scotland) Act 2020 (“the Disclosure Act”) reforms the disclosure regime in Scotland, repealing Part 5 of the Police Act 1997 as it applies in Scotland and also making amendments to the PVG Act under which the Scottish Ministers administer the PVG Scheme.
3. One of the particular reforms made by the Disclosure Act is the introduction of mandatory PVG Scheme membership for regulated roles. Section 45C of the PVG Act (inserted by section 73 of the Disclosure Act) makes it an offence for an individual to carry out, or agree to carry out, any type of regulated role (with children, adults or both) unless the individual participates in the PVG Scheme. Currently, an individual is not required to

be a member of the PVG Scheme in order to carry out regulated work with children, protected adults or both. Instead, the PVG Act created a number of offences (under sections 34 to 36 of that Act) relating to doing regulated work while barred or employing an individual to do regulated work while that individual is barred. This incentivises the use of the PVG Scheme, but it does not mean that the scheme is mandatory.

4. Regulation 2 restates the prohibition and requirement in relation to barred individuals carrying out regulated work provided for in the Protection of Vulnerable Groups (Scotland) Act 2007 (Removal of Barred Individuals from Regulated Work) Regulations 2010 (“the 2010 Regulations”)¹ to reflect updates to the changes in terminology introduced by the Disclosure Act. The 2010 Regulations will be revoked when regulation 1(2) of these Regulations comes into force and the prohibition and requirement in regulation 2 will continue to address behaviour by organisations which continue to employ individuals to carry out a regulated role from which they are barred.
5. Regulation 3(1) of these Regulations supports the introduction of the mandatory scheme. It creates a prohibition against an organisation permitting an individual to carry out a type of regulated role for the organisation where the individual does not participate in the PVG Scheme in relation to that type of regulated role. It also requires the organisation to remove the individual from the regulated role concerned. This is to address behaviour by organisations which continue to employ individuals to carry out a regulated role, where they are not a member of the PVG Scheme.
6. It is an offence for an organisation not to comply with these Regulations.
7. In relation to the prohibition in regulation 3 in particular, it will commence slightly later than the prohibition in regulation 2 and the majority of the Disclosure Act provisions. It will commence at the same time as section 45C of the PVG Act, affording a few months grace to individuals who are not currently PVG Scheme members but will need to be, by virtue of the roles they are carrying out, so as to not fall foul of the mandatory offence provision. Transitional provision is also included in paragraph (2) of regulation 3 to ensure that organisations who are encouraging individuals to take steps to join the PVG Scheme up until the relevant date (i.e. the date on which regulation 3 comes into force), do not inadvertently fall foul of this offence if Disclosure Scotland are still processing applications to join.
8. Further details of the policy objectives relating to the Disclosure Act are set out in the [Policy Memorandum](#) which accompanied the Disclosure (Scotland) Bill. The Scottish Parliament website also sets out the [timeline for the passage of the Bill](#).

UN Convention on the Rights of the Child (Incorporation) (Scotland) Act 2024 Compatibility

9. The Scottish Ministers have made the following statement regarding children's rights:

In accordance with section 23(2) of the United Nations Convention on the Rights of the Child (Incorporation) (Scotland) Act 2024, the Scottish Ministers certify that, in their view, the Regulated Roles (Prohibitions and Requirements) (Scotland) Regulations 2024 are compatible with the UNCRC requirements as defined by section 1(2) of that Act.

It was also recommended in the Health and Sport Committee's report on Child Protection in Sport³.

Disclosure Scotland use a range of communication channels to inform stakeholders of the new mandatory requirements, the associated offences. Disclosure Scotland will also publish guidance on regulated roles, offering one to one advice to help organisations understand and establish whether their roles are regulated roles, along with providing training.
